EMERGENCY PROCEDURES

Dear Clients,

Please note that my practice does not have 24 hour availability or coverage.

In the event of an emergency where you or someone else may not be safe, please call 911 or proceed to your nearest emergency room.

You may leave a confidential voice mail message 24 hours a day at 773.883.5398. I generally respond to messages within 24 hours with the exception of weekends, holidays and vacations.
